

Specification

Technical Data Sheet

Product Name	Chlorosulfonic acid
---------------------	---------------------

Product No	24581904
-------------------	----------

CAS Number	7790-94-5
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	116.52
-------------------------	--------

Specification

Appearance	Slightly hazy viscous liquid
-------------------	------------------------------

Assay	≥ 96.00 %
--------------	-----------
