

Specification

Technical Data Sheet

Product Name	Heptadecane
---------------------	-------------

Product No	24686856
-------------------	----------

CAS Number	629-78-7
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	240.47
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Assay (GC)	$\geq 98.0\%$
-------------------	---------------

C16 and lower	$\leq 1.0\%$
----------------------	--------------

C18 and higher	$\leq 1.0\%$
-----------------------	--------------
