

Specification

Technical Data Sheet

Product Name	4-Chlorobenzaldehyde
---------------------	----------------------

Product No	24753028
-------------------	----------

CAS Number	104-88-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	140.57
-------------------------	--------

Specification

Appearance	Yellow white solid
-------------------	--------------------

Identification	Conforms to reference
-----------------------	-----------------------
