

# Specification

## Technical Data Sheet

|                     |               |
|---------------------|---------------|
| <b>Product Name</b> | Hippuric acid |
|---------------------|---------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 24771195 |
|-------------------|----------|

|                   |          |
|-------------------|----------|
| <b>CAS Number</b> | 495-69-2 |
|-------------------|----------|

|                            |         |
|----------------------------|---------|
| <b>Storage Temperature</b> | Ambient |
|----------------------------|---------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 179.17 |
|-------------------------|--------|

### Specification

|                   |                          |
|-------------------|--------------------------|
| <b>Appearance</b> | White crystalline powder |
|-------------------|--------------------------|

|                       |          |
|-----------------------|----------|
| <b>Loss on Drying</b> | Max 1.0% |
|-----------------------|----------|

|                      |                  |
|----------------------|------------------|
| <b>Melting Point</b> | 186 to 191 Deg C |
|----------------------|------------------|

|              |        |
|--------------|--------|
| <b>Assay</b> | > 98 % |
|--------------|--------|

|                      |            |
|----------------------|------------|
| <b>Chloride (Cl)</b> | Max 100ppm |
|----------------------|------------|

|                 |          |
|-----------------|----------|
| <b>Moisture</b> | Max 0.5% |
|-----------------|----------|

|                            |          |
|----------------------------|----------|
| <b>Residue on Ignition</b> | Max 0.2% |
|----------------------------|----------|
