

Specification

Technical Data Sheet

| | |
|---------------------|-------------------------------------|
| Product Name | Tetraethylene glycol dimethyl ether |
|---------------------|-------------------------------------|

| | |
|-------------------|----------|
| Product No | 25206298 |
|-------------------|----------|

| | |
|-------------------|----------|
| CAS Number | 143-24-8 |
|-------------------|----------|

| | |
|----------------------------|---------|
| Storage Temperature | Ambient |
|----------------------------|---------|

| | |
|-------------------------|--------|
| Molecular Weight | 222.28 |
|-------------------------|--------|

Specification

| | |
|-------------------|-------------------------|
| Appearance | Colourless clear liquid |
|-------------------|-------------------------|

| | |
|-----------------------|-----------------------|
| Identification | Conforms to reference |
|-----------------------|-----------------------|

| | |
|--------------|--------------|
| Water | $\leq 0.1\%$ |
|--------------|--------------|

| | |
|----------------|----------------|
| Acidity | $\leq 0.015\%$ |
|----------------|----------------|

| | |
|--------------|---------------|
| Assay | $\geq 99.0\%$ |
|--------------|---------------|

| | |
|-----------------|----------------|
| Peroxide | $\leq 0.005\%$ |
|-----------------|----------------|
