

# Specification

## Technical Data Sheet

<b>Product Name</b>	Ethyl methacrylate
---------------------	--------------------

<b>Product No</b>	25358492
-------------------	----------

<b>CAS Number</b>	97-63-2
-------------------	---------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	114.14
-------------------------	--------

### Specification

<b>Appearance</b>	Clear colourless liquid
-------------------	-------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
