

Specification

Technical Data Sheet

Product Name	1-Chlorohexane
---------------------	----------------

Product No	25975919
-------------------	----------

CAS Number	544-10-5
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	120.62
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

pH	6 - 8
-----------	-------

Moisture	≤ 500ppm
-----------------	----------

Purity GC	≥ 98%
------------------	-------
