

Specification

Technical Data Sheet

Product Name	Magnesium acetate tetrahydrate
---------------------	--------------------------------

Product No	26205568
-------------------	----------

CAS Number	16674-78-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	214.45
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Heavy metals	$\leq 0.001\%$
---------------------	----------------

Assay	$\geq 98\%$
--------------	-------------

Chloride (Cl)	$\leq 0.05\%$
----------------------	---------------

Calcium (Ca)	$\leq 0.1\%$
---------------------	--------------

Water Insolubles	$\leq 0.1\%$
-------------------------	--------------
