

Specification

Technical Data Sheet

Product Name	1,8-Dibromooctane
---------------------	-------------------

Product No	26364999
-------------------	----------

CAS Number	4549-32-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	272.02
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Assay	>98%
--------------	------

Moisture	<0.3%
-----------------	-------
