

Specification

Technical Data Sheet

Product Name	alpha-Methyltryptamine
---------------------	------------------------

Product No	26385637
-------------------	----------

CAS Number	299-26-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	174.24
-------------------------	--------

Specification

Appearance	White Solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------

Assay (HPLC)	≥97.0%
---------------------	--------
