

Specification

Technical Data Sheet

Product Name	L-Tyrosine disodium salt hydrate
---------------------	----------------------------------

Product No	26504155
-------------------	----------

CAS Number	69847-45-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	225.15 (Anhy.)
-------------------------	----------------

Specification

Appearance	White powder
-------------------	--------------

pH	11.0 - 14.4
-----------	-------------

Water	max 16%
--------------	---------

Assay	99% min
--------------	---------
