

Specification

Technical Data Sheet

Product Name	Lanthanum trifluoromethanesulfonate
---------------------	-------------------------------------

Product No	26600472
-------------------	----------

CAS Number	52093-26-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	586.11
-------------------------	--------

Specification

Appearance	White powder
-------------------	--------------

Identification	Conforms to reference
-----------------------	-----------------------

Assay	≥99.0%
--------------	--------
