

Specification

Technical Data Sheet

Product Name	3-Chloro-p-anisidine
---------------------	----------------------

Product No	26762343
-------------------	----------

CAS Number	5345-54-0
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	157.60
-------------------------	--------

Specification

Appearance	Off white/ light yellow to brown powder
-------------------	---

Assay	>99%
--------------	------
