

Specification

Technical Data Sheet

Product Name	Methyl-3-phenylpropionate
---------------------	---------------------------

Product No	27062877
-------------------	----------

CAS Number	103-25-3
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	164.2
-------------------------	-------

Specification

Appearance	Colourless to light yellow liquid or crystals
-------------------	---

Relative density	1.032 - 1.036
-------------------------	---------------

Assay (GC)	98.0% min
--------------------	-----------
