

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,6-Diaminopyridine
---------------------	---------------------

<b>Product No</b>	27143041
-------------------	----------

<b>CAS Number</b>	141-86-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	109.13
-------------------------	--------

### Specification

<b>Appearance</b>	Off-white to light brown crystalline powder
-------------------	---

<b>Loss on Drying</b>	≤1.0%
-----------------------	-------

<b>Melting Point</b>	116 - 122°C
----------------------	-------------

<b>Content of Toluene (GC)</b>	≤1000 ppm
--------------------------------	-----------

<b>Purity (GC)</b>	≥99.0%
--------------------	--------

<b>Sulphated Ash</b>	≤0.1% w/w
----------------------	-----------

<b>Water Content</b>	≤0.5%
----------------------	-------
