

Specification

Technical Data Sheet

Product Name	1,2-Dichloroethane
---------------------	--------------------

Product No	27196959
-------------------	----------

CAS Number	107-06-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	98.96
-------------------------	-------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Water	$\leq 0.03\%$
--------------	---------------

Residue on Evaporation	$\leq 0.002\%$
-------------------------------	----------------

APHA Colour	≤ 10
--------------------	-----------

Purity GC	$\geq 99\%$
------------------	-------------
