

Specification

Technical Data Sheet

Product Name	4-Methyloctanoic acid
---------------------	-----------------------

Product No	27242307
-------------------	----------

CAS Number	54947-74-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	158.24
-------------------------	--------

Specification

Appearance	Light yellow liquid
-------------------	---------------------

Density	0.906 - 0.914
----------------	---------------

Identification	Conforms to reference
-----------------------	-----------------------

Assay	≥98.0%
--------------	--------
