

Specification

Technical Data Sheet

Product Name	S)-(-)-Indoline-2-carboxylic acid
---------------------	-----------------------------------

Product No	27353427
-------------------	----------

CAS Number	79815-20-6
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	163.17
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
