

Specification

Technical Data Sheet

Product Name	18-Crown-6-Ether
---------------------	------------------

Product No	27395735
-------------------	----------

CAS Number	17455-13-9
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	264.32
-------------------------	--------

Specification

Appearance	Colourless transparent solid
-------------------	------------------------------

Water	$\leq 0.5\%$
--------------	--------------

Assay	$\geq 98.0\%$
--------------	---------------
