

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-Dimethylaminoantipyrine
---------------------	---------------------------

<b>Product No</b>	27652384
-------------------	----------

<b>CAS Number</b>	58-15-1
-------------------	---------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	231.29
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>Grade</b>	USP32
--------------	-------

<b>Assay</b>	99.0%-100.5%
--------------	--------------

<b>Chloride</b>	0.001%max
-----------------	-----------

<b>Heavy Metal</b>	0.004%max
--------------------	-----------

<b>Residue in Ignition</b>	0.1%max
----------------------------	---------
