

Specification

Technical Data Sheet

Product Name	2-Amino-4,6-dihydroxypyrimidine
---------------------	---------------------------------

Product No	27792458
-------------------	----------

CAS Number	56-09-7
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	127.10
-------------------------	--------

Specification

Appearance	Off-white to Light yellow powder
-------------------	----------------------------------

Water	$\leq 0.5\%$
--------------	--------------

Content	$\geq 98.0\%$
----------------	---------------
