

Specification

Technical Data Sheet

Product Name	5-Fluoroisatin
---------------------	----------------

Product No	27999310
-------------------	----------

CAS Number	443-69-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	165.12
-------------------------	--------

Specification

Appearance	Red crystalline powder
-------------------	------------------------

Identification	Conforms to reference
-----------------------	-----------------------
