

# Specification

## Technical Data Sheet

<b>Product Name</b>	Cineole (Eucalyptol)
---------------------	----------------------

<b>Product No</b>	28296039
-------------------	----------

<b>CAS Number</b>	470-82-6
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	154.25
-------------------------	--------

### Specification

<b>Appearance</b>	Colourless liquid
-------------------	-------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Refractive Index</b>	1.4558
-------------------------	--------

<b>Optical Rotation</b>	+5
-------------------------	----

<b>Purity</b>	≥99%
---------------	------

<b>Specific Gravity</b>	0.921
-------------------------	-------
