

Specification

Technical Data Sheet

Product Name	1,10-Decanedicarboxylic acid
---------------------	------------------------------

Product No	28370575
-------------------	----------

CAS Number	693-23-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	230.30
-------------------------	--------

Specification

Appearance	White powder or flake
-------------------	-----------------------

Melting Point	128.5 - 131.0°C
----------------------	-----------------

Water	≤0.4%
--------------	-------

Assay	≥98.5%
--------------	--------

Total acids	≥99.0%
--------------------	--------
