

Specification

Technical Data Sheet

Product Name	Pyrrolidine
---------------------	-------------

Product No	28445426
-------------------	----------

CAS Number	123-75-1
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	71.12
-------------------------	-------

Specification

Appearance	Clear colourless to yellow liquid
-------------------	-----------------------------------

Water	$\leq 0.20\%$
--------------	---------------

Colour	≤ 50 APHA
---------------	----------------

Assay (G.C)	$\geq 99\%$
--------------------	-------------
