

# Specification

## Technical Data Sheet

<b>Product Name</b>	Benzeneseleninic anhydride
---------------------	----------------------------

<b>Product No</b>	28767766
-------------------	----------

<b>CAS Number</b>	17697-12-0
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	360.13
-------------------------	--------

### Specification

<b>Appearance</b>	Light yellow powder
-------------------	---------------------
