

Specification

Technical Data Sheet

Product Name	2-Bromomethyl-1,3-dioxalane
---------------------	-----------------------------

Product No	29196275
-------------------	----------

CAS Number	4360-63-8
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	167.00 g/mol
-------------------------	--------------

Specification

Appearance	Colourless or light yellow liquid
-------------------	-----------------------------------

Content	98%
----------------	-----
