

Specification

Technical Data Sheet

Product Name	Acetophenone
---------------------	--------------

Product No	29255823
-------------------	----------

CAS Number	98-86-2
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	120.15
-------------------------	--------

Specification

Appearance	Clear colourless liquid
-------------------	-------------------------

Refractive Index	1.5342 @ 20 Deg C
-------------------------	-------------------

Assay GC	99% min
-----------------	---------
