

# Specification

## Technical Data Sheet

|                            |   |
|----------------------------|---|
| <b>Product Name</b>        | 7-Aminodesacetoxy-cephalosporanic acid (7-ADCA) |
| <b>Product No</b>          | 29436927  |
| <b>CAS Number</b>          | 22252-43-3                                      |
| <b>Storage Temperature</b> | 2 to 8 °C                                       |
| <b>Molecular Weight</b>    | 214.24  |

### Specification

|                   |                                     |
|-------------------|-------------------------------------|
| <b>Appearance</b> | White/ off white crystalline powder |
|-------------------|-------------------------------------|
