

# Specification

## Technical Data Sheet

<b>Product Name</b>	2,2-Dimethoxy-2-phenylacetophenone
---------------------	------------------------------------

<b>Product No</b>	29459523
-------------------	----------

<b>CAS Number</b>	24650-42-8
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	256.30
-------------------------	--------

### Specification

<b>Appearance</b>	White crystal powder
-------------------	----------------------

<b>Ash</b>	≤0.1%
------------	-------

<b>Melting Point</b>	63 - 68°C
----------------------	-----------

<b>Purity</b>	≥99.0%
---------------	--------

<b>Volatiles</b>	≤0.5%
------------------	-------
