

Specification

Technical Data Sheet

Product Name	N-Perfluoro octane
---------------------	--------------------

Product No	29541276
-------------------	----------

CAS Number	307-34-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	438.06
-------------------------	--------

Specification

Appearance	Liquid
-------------------	--------

Identification	Conforms to reference
-----------------------	-----------------------

GC-FID	≥99%
---------------	------
