

Specification

Technical Data Sheet

Product Name	DL-Lactic acid ACS reagent
---------------------	----------------------------

Product No	29567910
-------------------	----------

CAS Number	50-21-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	90.08
-------------------------	-------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Heavy metals	5ppm max
---------------------	----------

Assay	85 - 90%
--------------	----------

Cl	0.001% max
-----------	------------

Iron	5ppm max
-------------	----------

Sulfate	0.002% max
----------------	------------

Residue after Ignition	0.02% max
-------------------------------	-----------
