

Specification

Technical Data Sheet

Product Name	Haematoxylin (C.I. 75290)
Product No	29628570
CAS Number	517-28-2
Storage Temperature	Ambient
Molecular Weight	302.28
	Specification
Appearance	Fine, beige to tan to light brown powder Light Sensitive
Water	≤8.0 %
Dye Content	≥60%
Solubility in alcohol	To pass test
Suitability for Microscopy	To pass test
