

Specification

Technical Data Sheet

Product Name	3-Isocyanatopropyltriethoxysilane
---------------------	-----------------------------------

Product No	29909306
-------------------	----------

CAS Number	24801-88-5
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	247.36
-------------------------	--------

Specification

Appearance	Clear, colourless liquid
-------------------	--------------------------

Refractive Index	1.4190 - 1.4240
-------------------------	-----------------

Assay (GC)	≥94.0%
-------------------	--------
