

Specification

Technical Data Sheet

Product Name	Magnesium turnings
---------------------	--------------------

Product No	29909363
-------------------	----------

CAS Number	7439-95-4
-------------------	-----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	24.31
-------------------------	-------

Specification

Appearance	Metal/ grey solid
-------------------	-------------------

Aluminium	$\leq 0.05\%$
------------------	---------------

Bulk density	0.80 - 1.00
---------------------	-------------

Magnesium Oxide	$\leq 1.0\%$
------------------------	--------------

Magnesium (Mg)	$\geq 99.8\%$
-----------------------	---------------

Manganese (Mn)	$\leq 0.05\%$
-----------------------	---------------
