

Specification

Technical Data Sheet

Product Name	Ethyl viologen diperchlorate
---------------------	------------------------------

Product No	29918742
-------------------	----------

CAS Number	36305-51-8
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	413.21
-------------------------	--------

Specification

Appearance	Beige powder
-------------------	--------------

Purity	≥98.0%
---------------	--------
