

# Specification

## Technical Data Sheet

|                     |                |
|---------------------|----------------|
| <b>Product Name</b> | Syringaldazine |
|---------------------|----------------|

|                   |          |
|-------------------|----------|
| <b>Product No</b> | 29961789 |
|-------------------|----------|

|                   |            |
|-------------------|------------|
| <b>CAS Number</b> | 14414-32-5 |
|-------------------|------------|

|                            |           |
|----------------------------|-----------|
| <b>Storage Temperature</b> | 2 to 8 °C |
|----------------------------|-----------|

|                         |        |
|-------------------------|--------|
| <b>Molecular Weight</b> | 360.36 |
|-------------------------|--------|

### Specification

|                   |                                  |
|-------------------|----------------------------------|
| <b>Appearance</b> | Green, yellow crystalline powder |
|-------------------|----------------------------------|

|                     |        |
|---------------------|--------|
| <b>Assay/Purity</b> | ≥95.0% |
|---------------------|--------|
