

Specification

Technical Data Sheet

Product Name	2-Oxazolidinone
---------------------	-----------------

Product No	29964445
-------------------	----------

CAS Number	497-25-6
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	87.08
-------------------------	-------

Specification

Appearance	Beige solid
-------------------	-------------

Identification	Conforms to reference
-----------------------	-----------------------
