

# Specification

## Technical Data Sheet

<b>Product Name</b>	4-Piperidone hydrochloride monohydrate
---------------------	--

<b>Product No</b>	30038576
-------------------	----------

<b>CAS Number</b>	40064-34-4
-------------------	------------

<b>Storage Temperature</b>	2 to 8 °C
----------------------------	-----------

<b>Molecular Weight</b>	153.61
-------------------------	--------

### Specification

<b>Appearance</b>	White to yellow crystalline particles
-------------------	---------------------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------

<b>Melting Point</b>	90.0 - 98.0°C
----------------------	---------------

<b>Water</b>	10.5-13.0%
--------------	------------

<b>Assay</b>	≥ 98.0%
--------------	---------
