

Specification

Technical Data Sheet

Product Name	N-Methyl-N-nitroso-p-toluenesulfonamide (Diazogen)
---------------------	--

Product No	30261311
-------------------	----------

CAS Number	80-11-5
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	214.24
-------------------------	--------

Specification

Appearance	Light Yellow Solid
-------------------	--------------------

Purity by HPLC:	≥98.0%
------------------------	--------
