

Specification

Technical Data Sheet

Product Name	-)-Diisopropyl D-tartrate
---------------------	---------------------------

Product No	30275431
-------------------	----------

CAS Number	62961-64-2
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	234.25
-------------------------	--------

Specification

Appearance	Colourless to light yellow liquid
-------------------	-----------------------------------

Specific rotation	-16 to -19
--------------------------	------------

Water	<0.5%
--------------	-------

Optical Purity	>99%
-----------------------	------

Purity	>99%
---------------	------
