

# Specification

## Technical Data Sheet

<b>Product Name</b>	5-Methylpyrazine-2-carboxylic acid
---------------------	------------------------------------

<b>Product No</b>	30353495
-------------------	----------

<b>CAS Number</b>	5521-55-1
-------------------	-----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	138.12
-------------------------	--------

### Specification

<b>Appearance</b>	Light brown crystalline powder
-------------------	--------------------------------

<b>Identification</b>	Conforms to reference
-----------------------	-----------------------
