

# Specification

## Technical Data Sheet

<b>Product Name</b>	Diethylamine hydrochloride
---------------------	----------------------------

<b>Product No</b>	30911984
-------------------	----------

<b>CAS Number</b>	660-68-4
-------------------	----------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	109.60
-------------------------	--------

### Specification

<b>Appearance</b>	White or yellow crystalline powder
-------------------	------------------------------------

<b>Assay</b>	$\geq 98.0\%$
--------------	---------------

<b>Insoluble Matter</b>	$\leq 0.1\%$
-------------------------	--------------

<b>Residue on Ignition</b>	$\leq 0.1\%$
----------------------------	--------------
