

Specification

Technical Data Sheet

Product Name	Dibutylamine
---------------------	--------------

Product No	31112489
-------------------	----------

CAS Number	111-92-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	129.24
-------------------------	--------

Specification

Appearance	Colourless liquid
-------------------	-------------------

Purity GC	≥ 99.5%
------------------	---------
