

# Specification

## Technical Data Sheet

<b>Product Name</b>	ADA disodium salt
---------------------	-------------------

<b>Product No</b>	31449132
-------------------	----------

<b>CAS Number</b>	41689-31-0
-------------------	------------

<b>Storage Temperature</b>	Ambient
----------------------------	---------

<b>Molecular Weight</b>	234.12
-------------------------	--------

### Specification

<b>Appearance</b>	White crystalline powder
-------------------	--------------------------

<b>pH</b>	9.5 10.1
-----------	----------

<b>Water</b>	≤1.0%
--------------	-------

<b>Assay (Titration)</b>	≥98%
--------------------------	------
