

Specification

Technical Data Sheet

Product Name	4,5-Dimethylresorcinol
---------------------	------------------------

Product No	31501054
-------------------	----------

CAS Number	527-55-9
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	138.16
-------------------------	--------

Specification

Appearance	Solid
-------------------	-------
