

Specification

Technical Data Sheet

Product Name	Eosin Y (C.I. 45380)
---------------------	----------------------

Product No	31787521
-------------------	----------

CAS Number	17372-87-1
-------------------	------------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	691.85
-------------------------	--------

Specification

Appearance	Rust red powder
-------------------	-----------------

Loss on Drying	$\leq 5.0\%$
-----------------------	--------------

Dye Content	$\geq 90.0\%$
--------------------	---------------
