

Specification

Technical Data Sheet

Product Name	Glyoxylic acid monohydrate
---------------------	----------------------------

Product No	31823498
-------------------	----------

CAS Number	563-96-2
-------------------	----------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	92.05
-------------------------	-------

Specification

Appearance	White to light yellow powder
-------------------	------------------------------

Assay	$\geq 98.0\%$
--------------	---------------

Glyoxal	$\leq 0.2\%$
----------------	--------------

Oxalic acid	$\leq 1.0\%$
--------------------	--------------
