

Specification

Technical Data Sheet

Product Name	Naphthol AS-D-chloroacetate
---------------------	-----------------------------

Product No	31848932
-------------------	----------

CAS Number	35245-26-2
-------------------	------------

Storage Temperature	-15 to -20 °C
----------------------------	-------------------

Molecular Weight	353.80
-------------------------	--------

Specification

Appearance	White needles
-------------------	---------------

Purity	≥98.0% TLC
---------------	------------

Storage	Long term storage at -20 Deg C
----------------	--------------------------------

Solution Test	5% solution in acetone is clear and colourless
----------------------	--
