

Specification

Technical Data Sheet

Product Name	p-Arsanilic acid
---------------------	------------------

Product No	31968396
-------------------	----------

CAS Number	98-50-0
-------------------	---------

Storage Temperature	Ambient
----------------------------	---------

Molecular Weight	217.05
-------------------------	--------

Specification

Appearance	White to off-white to gray powder
-------------------	-----------------------------------

Assay	≥98%(HPLC)
--------------	------------
